Output

The process with pid: 1107 requests a Plotters resource The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1108 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1109 requests a Printer resource The Printer semaphore has 5 resources available

Resource is avaliable

The process with pid: 1110 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1111 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1112 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1113 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1114 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1115 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1116 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1117 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1118 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1119 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1120 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1121 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1122 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1123 requests a Printer resource The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1124 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1125 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1126 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1127 requests a Printer resource The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1128 requests a Scanners resource The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1129 requests a Printer resource The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1130 requests a Printer resource The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1131 requests a Plotters resource The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1132 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1133 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1134 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1135 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1136 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1137 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1138 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1139 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1140 requests a Printer resource The Printer semaphore has 5 resources avaliable Resource is avaliable

The process with pid: 1141 requests a Plotters resource The Plotters semaphore has 6 resources avaliable Resource is avaliable

The process with pid: 1142 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1143 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1144 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1145 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1146 requests a Scanners resource The Scanners semaphore has 4 resources avaliable Resource is avaliable

The process with pid: 1147 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1148 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1149 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1150 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1151 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1152 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1153 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1154 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1155 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1156 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1157 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1158 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1159 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1160 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1161 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1162 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1163 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1164 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1165 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1166 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1167 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1168 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1169 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1170 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1171 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1172 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1173 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1174 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1175 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1176 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1177 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1178 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1179 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1180 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1181 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1182 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1183 requests a Plotters resource

The Plotters semaphore has 6 resources avaliable

Resource is avaliable

The process with pid: 1184 requests a Scanners resource

The Scanners semaphore has 4 resources avaliable

Resource is avaliable

The process with pid: 1185 requests a Printer resource

The Printer semaphore has 5 resources avaliable

Resource is avaliable

The process with pid: 1186 requests a Printer resource

The Printer semaphore has 5 resources avaliable
